

**FIDDLER'S GREEN COUNTRY & BLUEGRASS FESTIVAL
SATURDAY JULY 27, 2019
Raffle Prize Donor Request**

The Concord Historical Society's 2019 8th Annual Fiddler's Green Country and Bluegrass Festival will be held on Saturday July 27th in historic Springville, New York from the Fiddler's Green Park on Franklin Street winding through the new Heritage Park and into the Historical Society's circa 1890's Mercantile General Store ending at Main Street.

Building on last year's resounding success, this year promises to be even bigger and better. Our committees are working hard to bring more food vendors and food trucks, crafters and demonstrators throughout the festival area, as well as a Car Cruise-In auto show. Returning is another crowd pleaser, the Cloggers whom we are proud to sponsor at the historic Town Hall. Of course, audience participation is encouraged at the Jam Tent with open jamming, a very popular event. Bring your own instrument and join in!

The Historical Society is asking for your help by donating a Gift Certificate which will be a part of our event Raffle. This raffle represents a large portion of the income needed to support this free community event. Our success has always been because of the financial support of community minded patrons and businesses like yours and only because of that support is the Concord Historical Society able to sponsor this event each year.

Please consider providing a Gift Certificate for the success of the festival. All contributors will be recognized in the event program on July 27th.

Fiddler's Green Country & Bluegrass Festival Committee
