The Concord Historical Society's 8th Annual Fiddler's Green Country and Bluegrass Festival will be held on Saturday July 27<sup>th</sup> 2019 in historic Springville New York from the Fiddler's Green Park on Franklin Street winding through the new Heritage Park and into the Historical Society's circa 1890's Mercantile General Store ending at Main Street.

Building on last year's resounding success, this year promises to be even bigger and better with a variety of activities throughout these 3 venues. Our committees are working hard to bring more food vendors and food trucks, crafters and demonstrators throughout the festival area, as well as an Antique Car Cruise-In. Returning is another crowd pleaser, the Cloggers whom we are proud to sponsor at the historic Town Hall. Of course, audience participation is encouraged at the Entertainment Tent with open jamming, a very popular event.

The Historical Society is asking for your help by sponsoring this year's Festival. Our success has always been because of the financial support of community minded patrons and businesses like yours.

As a co-sponsor, your contribution will help provide 6 hours of continuous Country and Bluegrass music at the Fiddler's Green Park, Heritage Park Gazebo and at the Mercantile by 11 area music groups and our own host band, The Mercantile Musicians. Patron, Silver and Gold sponsors will receive recognition in our promotional advertising. Silver and Gold Patrons will also have the opportunity to be listed as a music sponsor at the 1 of the music venues.

Silver and Gold Patrons will have a sign with your name or business name prominently displayed during the Festival. Example: "**Music provided through the generous support of \_\_\_ (your name) \_\_\_**"

Suggested sponsorship levels are:

**\$50 Patron**                      **\$100 Silver**                      **\$200 Gold**                      \$\_\_\_
